Minutes

Two Separate telephone conversations occurred to discuss the contents of the B771 Administrative Records, one with Chris Gilbreath and one with Mark Aguilar. Copies of the B771 Administrative Records were given to Chris Gilbreath and faxed to Mark Aguilar on January 7, 1999. On January 11, 1999, Chris Gilbreath agreed that the B771 Administrative Records were complete. On January 12, 1999, Mark Aguilar agreed that the records were complete with the exception of a copy of the approved B771 Decommissioning Operations Plan (DOP) and CDPHE DOP approval letter. I agreed to include a copy before closing out the records.
